The client is the Owner [X] **Tenant** [ ] **of the premises.**

Required date of service: 01-04-2026

Please attach a copy of the offer to purchase or sale agreement stipulating the date of occupation if the client is the owner, alternatively a copy of the lease agreement stipulating the date of occupation where the client is the tenant.

Deposit to Be Paid to Pretor Estates:

A refundable deposit payable by all registered stand owners to cover for <u>two times(2X) the average</u> monthly water and electricity invoice of a household must be deposited in the bank account of Pretor Estates as a guarantee for the payment of outstanding water and electricity invoices. (Any interest accrued will be to the benefit of the HOA of Pheasant Hill Country Estate).

A new property owner must pay an initial deposit of R5000.00 from 2023/03/01 to Pretor Estates with the registration of the property in the name of the new owner. The deposit amount will be increased from time

to time by the HOA to cover for future water and electricity tariff increases to ensure that the deposit covers two times (2X) the average monthly water and electricity usage.

The bank account details of Pretor Estates are:

Account Holder:	**Pretor Estates (Pty) Ltd**
Account Number:	**514 242 79408**
Bank:	**FNB**
Branch:	**Pretoria Church Square**
Branch Code:	**251445**
Reference:	**Levy/Stand Reference**

Refund of Deposit by Pretor Estates:

If an owner moves from Pheasant Hill Country Estate, a discontinuation of electricity and water supply form has to be submitted to the Service Provider. On submission of a nil invoice issued by the Service Provider to Pretor Estates, the deposited amount will be refunded to the owner by Pretor Estates.

Meter Reading and Invoicing Deadlines:

Meter readings shall be taken every last working day of the month or the next working day of the following month. An invoice shall be generated monthly by the Service Provider for each user and shall reflect the water and electricity meter reading information (previous and current readings) separately.

Invoices will only be distributed electronically by the Service Provider.

Action	**Deadline**
• **Water and Electricity meter reading**	**every last working day of the month or the next working day of the following month.**
• **Distribute invoices.**	**within 4 working days of the meter reading date.**
• **Payment to reflect in Service Provider's account**	**10th of month.**
• **Issue an "arrear notice" to defaulting user**	**12th of month.**
• **Forward a copy of the "arrear notice" to HOA**	**12th of month.**
• **Account settlement for defaulters on arrears**	**15th of month.**
• **Notify HOA of defaulting user**	**15th of month.**
• **Cut electricity supply to defaulting User**	**15th of month.**
• **Reconnect electricity**	**next working day after settlement. of outstanding account in full and payment of reconnection fee.**
• **Payment to Bulk Services Provider**	**20th of month**

- **<u>A user shall be in default if any amount is outstanding after the 10th day of the month. A default notice will be sent ONCE only by the Service Provider via e-mail to the user whose account is in arrears on the 12th of the month. NO further warning that electricity supply will be cut will be issued to the defaulting user</u>.**
- **If an owner or his/her tenant cannot pay the Service provider invoice as indicated above, the HOA will request Pretor to pay the outstanding invoice against the owners' electricity deposit held by Pretor.**
- **If the owners' electricity deposit has been utilized and the owner or his/her tenant cannot pay the following month's invoice the HOA will be in its rights to request the Service provider to cut the electricity supply to the respective stand to prevent a debt risk for the other P/Hill owners.**

Queries on accounts will be addressed by the Service Provider as follows:

- **Query to be lodged by e-mail to the Service Provider before the 7th day of the month.**
- **The Service Provider shall attend to the query within 48 hours.**
- **The Service Provider may, if deemed necessary, agree to amend the amount due, and the due date for payment.**

Monthly Service Charge:

The user will be invoiced for a monthly service charge for services rendered by the Service Provider.

The service includes the provision of labor, vehicles, equipment, and materials required for:

- **The monthly reading of water and electricity meters of each user.**
- **The reconciliation of the meter readings with the bulk account readings.**
- **The monthly preparation and electronic submission of individual invoices for services consumed to each user.**
- **The payment for bulk services to the Country Lane Property Owners Association**
- **Reporting of faulty metering equipment.**
- **Disconnection and re-connection of services as approved or requested by the Pheasant Hill Country Estate HOA.**

Excluded from the Monthly Service Charge:

- **The cleaning, maintenance and repair of the metering equipment and structures housing such equipment.**
- **The programmed inspection, servicing, maintenance, adjustment and maintaining in good working order of any metering equipment.**
- **Any maintenance required on related services infrastructure.**
- **Provision of locks for the metering cubicles.**

Note:
Any of the above services can be offered by the Service Provider but will be regarded as ad-hoc work and charged accordingly as per the ad-hoc work rates.

Service Charge Fees:

1. Meter Reading & Billing Services Charge
The monthly meter reading and billing service charge shall be an amount approved by the HOA from time to time (VAT excluded) per user and thereafter increased on a yearly basis.

2. Water and Electricity used
The user will be invoiced for the actual usage according to the meter readings at the actual rates charged by Country Lane Estate. No profit will be added.

3. Payment Reminder Charges
If the Service Provider does not receive payment on the due date, a reminder shall be sent to the defaulting User. The cost for the reminder notice shall be for the account of the user. The reminder charge shall be included in the user's invoice for the following billing period and shall be settled promptly as part of the payment due to the Service Provider.

4. Service Connection Fees

The Service Provider shall when required proceed with the disconnection of services. There shall be no charge for the disconnection. The Service Provider shall be responsible for all service re-connections as well as new service connections. A service fee shall be charged directly to the user for each service connection/and or reconnection. This service fee also applies to all new user connections.
